HIDE KIT SERIES - SKIMMER LID & ACCESS COVER

WITH HIDE

*Integrated
pattern!*

**SAFE.
SEAMLESS.
STUNNING.**

A new breed of skimmer lid reinventing the poolscape.

HIDE covers can be installed both in new poolscape, or retrofitted in existing pool areas. They are designed for quick (and affordable) installation by a contractor and each HIDE kit contains *all the components* for a no-fuss install. The only thing left to do is to choose your inlay material!
